

planner_switcher::Planner
Switcher::setBackwardPlanner

```
graph LR; A["planner_switcher::Planner  
Switcher::setBackwardPlanner"] --> B["planner_switcher::Planner  
Switcher::updatePlanners"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border, containing the text 'planner_switcher::Planner Switcher::setBackwardPlanner'. The right box has a white background and a black border, containing the text 'planner_switcher::Planner Switcher::updatePlanners'. A dark blue arrow points from the right side of the left box to the left side of the right box.
