

smacc::replace_back

```
graph LR; A[smacc::replace_back] --> B[smacc::replace]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'smacc::replace_back'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'smacc::replace'.

smacc::replace
