

sm\_dance\_bot::CbNavigate  
Backwards::onExit

```
graph LR; A[sm_dance_bot::CbNavigateBackwards::onExit] --> B[odom_tracker::OdomTracker::setWorkingMode]
```

A diagram showing a call from the `sm_dance_bot::CbNavigateBackwards::onExit` function to the `odom_tracker::OdomTracker::setWorkingMode` function. The call is represented by a blue arrow pointing from the left box to the right box.

odom\_tracker::OdomTracker  
::setWorkingMode
